

THE BEST OF SPECIAL EDUCATION

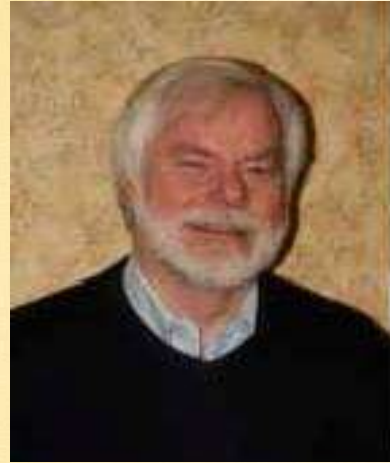

ILLINOIS COUNCIL FOR EXCEPTIONAL CHILDREN FALL CONVENTION

NOVEMBER 1-3
HYATT LISLE, LISLE, IL

Come celebrate *The Best of Special Education* with two great Keynote Speakers, Dr. Richard Van Acker on Friday and Dr. Vinni Hall on Saturday.

ILCCBD will present a panel discussion on the *Ethics of Behavior Management* on Saturday from 1:45-4:00. Teachers of students with EBD are faced daily with very difficult ethical dilemmas, especially when it comes to the management of disruptive and sometimes dangerous behavior. In this interactive panel led by Illinois State's Dr. Paula Crowley, teachers will be invited to share their personal experiences and will learn how to apply the principles of ethical decision making in a thoughtful, systematic way.

Thursday's sessions will include Social Intelligence Training, ELL IEPs, Writing Meaningful IEPs, Discipline and Bullying and other Special Ed Legal Developments and there will be more than 50 sessions on Friday and Saturday, some of which will include sessions for high school and college students--our future special educators. The convention will host 15 great Exhibitors all-day Friday and Saturday. On Saturday, there will be a drawing with a GRAND PRIZE of 20,000 Hyatt Gold Passport points.
